

DORY LAKES FISHING CLUB
BY-LAWS AND REGULATIONS

continued Page 4

Remember this is your CLUB and your money, and in order to keep the fishing at its best we all must comply with the rules. We ask your cooperation, get acquainted with your neighbors and other members. Help preserve good fishing and protect your investment by patrolling the lakes and ponds; whether proper fishing methods are being used, check badges, keep non-members and trespassers out. Any infractions witnessed, get the name including particulars and report it to a Committee or Board Member. If the incident involves trespassers or non-members notify the Gilpin Sheriff's Office [phone # 582-5511] of the trespasser .

The lake and ponds will be patrolled and unauthorized persons, i.e. any person without a fishing badge fishing, will be reported to the Gilpin County Sheriff and charged as trespassers.

Other violations shall be reported to the Fishing Committee for review. The Fishing Committee shall determine weather the matter should be referred to DLPOA's Board. The Fishing Committee will make recommendations to the DLPOA's Board of Directors, if in its opinion, the incident is not in keeping with the spirit of these rules and regulations and the DLPOA's Board shall have the power to suspend or expel any member for any conduct which, is in violation of the rules and regulations or is likely to endanger the welfare of the Club and community. To do this, a written notice setting forth the alleged charges shall be given to the accused member: The notice shall further advise the member of a meeting, set no sooner than seven (7) days from the date of the notice, of the Fishing Committee and the Board of Directors. The accused shall have the right to appear before the Committee and the Board to defend him / herself. The Committee and the Board will determine what action is to be taken; The decision will be final.

We would like you to know that all fishing dues are held in a separate account and monies are for fishing club use only.

Membership is renewed yearly.

We welcome your suggestions, question or comments.

THANKS FOR YOUR COOPERATION AND GOOD FISHING.

7. GENERAL RULES & REGULATIONS:

A. **No Swimming at any time is permitted in Dory Lake or other ponds.**

B. Ice fishing is permitted on Dory Lake only, **providing there is sufficient ice and only during the months of December, January, February and March.**

Holes in the ice shall be no larger than eight (8) inches in diameter. This is necessary to

insure the safety of small children and animals. **Only one pole per Fisherman.**

Bait may be used when ice fishing only

**NO ICE FISHING IS ALLOWED WITHIN THIRTY (30) FEET OF THE
EDGE OF THE AERATOR HOLE :**

EXTREME SAFETY HAZARD

C. Although a Colorado fishing license is not required as a member of this private fishing club, it is recommended. This would avoid any problems with the Colorado Fish and Game if you are stopped when taking your fish home.

D. There are three (3) access lanes to Dory Lake. There also is a twenty (20) foot easement around the lake. Please stay within this area. **No motor vehicles of any kind are permitted on the access areas to lakes or ponds. Electric powered wheel chairs or facsimile thereof for use by disabled persons are permitted. Please call a committee member for information.**

An existing auto access road off of West Dory Way and a small parking area for use of transporting of boat and equipment is available. **Please do not park in the turn-around area on the right nor block the drive to private property on the left.** This area is also where you will find the Porto-potty. A parking area is also located next to the green belt, on the south side of North Dory Lake Drive, across from the south access trail.

E. **Please, do not litter, take your trash with you when you leave.**

F. All badges are numbered and assigned to each DLPOA Fishing Club member and are registered with the Fishing Club. A roster of members, their badge numbers and other pertinent information shall be maintained by the Fishing Club and the patrols.

Any member desiring to receive a copy for their use in identifying fishing buddies and neighbors should contact a committee member. This will also provide a good way of helping to patrol and identify unauthorized persons.

Should a badge be lost, notify one of the Committee members. He will instruct you to return the remaining badges and new ones shall be issued with a **new number**, for a fee of \$10.00. The badges that are returned shall be destroyed.

Only Fishing Club members and their guests will be allowed to fish in the lake and ponds, and **badges must be visible at all times while fishing.** Members must be present in the area when guests are fishing.

3. DORY LAKE: Fishing is restricted to **artificial flies and hardware only.** Use of any other means including but not limited to artificial worms or salmon eggs or bait of any kind is strictly prohibited. Still fishing is also prohibited.

4. The limit on fish is three (3) per day or three (3) pounds, [i.e. one fish weighing 3 pound or more or 2 fish totaling 3 pounds or more]. It is suggested that we catch and release as often as possible.

PONDS #1 and #3 plus other ponds in the Green Belt are open to fishing with bait, flies and hardware. **Pond #2 is closed to all fishing.** **Only one pole per fisherman.** NO SEINING in the lake or ponds .

5. The cleaning of fish at or near the lake or ponds is prohibited

6. Only boats with valid permits and owned by Fishing Club members will be allowed to be stored at Dory Lake. All boats must be registered with the Fishing Club. Registration consists of providing boat ownership information to the Fishing Club on a form approved by the Fishing Club and payment of a registration fee of \$20.00 after which a sticker will be issued for placement on the boat. Both the form and sticker are provided by the Fishing Club. Only one boat per Fishing Club member is allowed at the lake and must be stored in the designated area and chained and locked. The registration fee will be used solely for boat related expenses.

DLPOA and Fishing Club strongly recommend the use of Coast Guard approved life jackets while boating. Electric motors may be used , *however power cannot exceed 10 pound of thrust.* No rafts are permitted on the lake. Float tubes are permitted on Dory Lake only. No boats or floating devices of any kind are permitted on the Ponds.

*Boaters, floaters and fishermen/women **PLEASE** be courteous to others fishing, on shore in boats or float tubes.*

Safety while using any of the DLPOA community areas is of utmost importance.

NOTE: Any member of DLPOA, the Fishing Club or any other persons while on or about or engaged in the use of any Dory Lakes Subdivision Property Owners Association's community property, does so at their sole risk and DLPOA and the Fishing Club their members, directors, officers or committee members assume no liability for any injury or death to any person or persons whomsoever or damage to or destruction of any property whatsoever belonging to or in the care, custody or control of said members or any other person or persons whomsoever.
